Easily comply with the NEW Affordable Care Act (ACA) reporting requirements using the 2018 ACA Software by ComplyRight™

Beginning January 2016, the Affordable Care Act (ACA) Employer Shared Responsibility Rule, under IRS Code Sections 6055 and 6056, requires employers to file annual information returns 1095-B and/or 1095-C with the IRS and deliver employee statements with health plan coverage information. Transmittal forms 1094-B and/or 1094-C also need to be filed with the IRS.

2018 ACA Software by ComplyRight was created to make complying with these new IRS regulations quick and easy. Backed by reliable, Windows-based functionality, this software provides all the tools you need to create and print your ACA forms. On screen, the tax forms mirror the actual IRS forms, plus, with 2018 ACA Software by ComplyRight you can be confident that all software features and forms meet strict IRS specifications.

Form types available in 2018 ACA Software by ComplyRight: 1095-B and 1095-C along with transmittals 1094-B and 1094-C.
